By Smead | Displaying today with tomorrow's technology

## The ultimate education collaboration tool.

With these **triple function** boards you can write, display and interact all on one board.

**Write.** Use it as a high quality erasable whiteboard that will not ghost or stain.

**Display.** Lift the Clearview overlay and place notices, reminders, illustrations or training materials on the Justick surface.

**Interact.** Use a dry or wet-erase marker to interact and illustrate your instructions and concepts without marking the original items.
