

Creativity Street® Chenille Stem Critters

*Developed by Kathy Barbro, Visual Arts Professional Expert
from Dixie Canyon Community Charter Elementary School in
Sherman Oaks, CA.*

Materials

- Creativity Street® Chenille Stems

Steps:

1. Take one Chenille Stem and fold in half and twist the top to form a loop. This will be the critter's head.

2. Shape two arms and twist together.

3. Twist the stems together to create a belly.

4. Shape two legs.

5. Twist legs together.

6. Shape ears using a new Chenille Stem.

7. Wrap the top half around the head of your critter.

8. Wrap the bottom half around the belly.

9. Cut a Chenille Stem to 3" to use as the tail.

10. Fold the tail in half, wrap around the body of your critter, and twist.
