

Customer Appreciation

Objective: You want to show your customers you appreciate their loyalty.

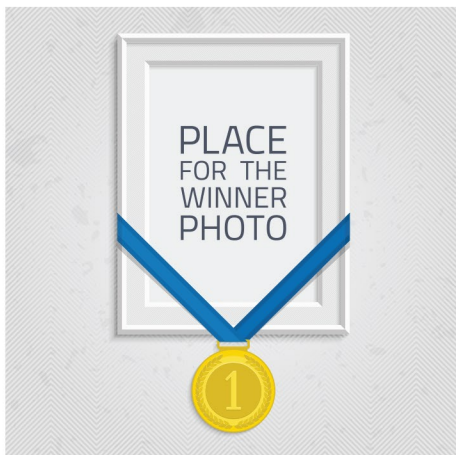

Solution: Divide this box into smaller boxes and give to your customers.

Decide how many customers you want to give a box to and divide up the supplies. The box contains a variety of items so you are able to customize the box to your customer.

Pack up your boxes, add a bow to make it extra special. Contact your customer and arrange a visit.

Surprise your customer with their customer loyalty box and take a photo. Post the photo on your website, newsletter and social media accounts.
