**RIVERSIDE 3D™**

**Trait-tex®**  
YARN

Use art to help teach students the parts of a tree, and why it's important to take care of our trees and our Earth!

### Trait-tex® School Yarn

Jumbo acrylic school roving yarn in nine bright colors. Each cone is approximately 150 yards. PAC00130 Assorted, 10 colors, 9 Cones

### Riverside 3D™ Construction Paper

This construction paper is perfect for building 3D models and a wide variety of STEAM projects. PAC103638 Assorted, 10 colors, 18"x 12" , 50 Sheets

### KolorFast® Tissue

This assortment contains 10 popular, non-bleeding tissue colors. Cut it, fold it, glue it and crinkle it. Both the color and strength of KolorFast® Tissue will hold firm. PAC58970 Assorted, 10 colors, 20"x 30" , 100 Sheets

### Creativity Street® Jumbo Chenille Stems

Chenille stems are an essential craft medium for classrooms. Use them to add dimension, texture and color to flat projects. CKC711001 Assorted, 10 colors, 6mm x 12" , 100/Pkg.
