

Divine Valentine Project

Materials:

- Pacon® Construction Paper (Tru-Ray®, Riverside® or SunWorks®)
- Creativity Street® Glue Stick
- Creativity Street® Scissors
- Divine Valentine Template (found on page 2)

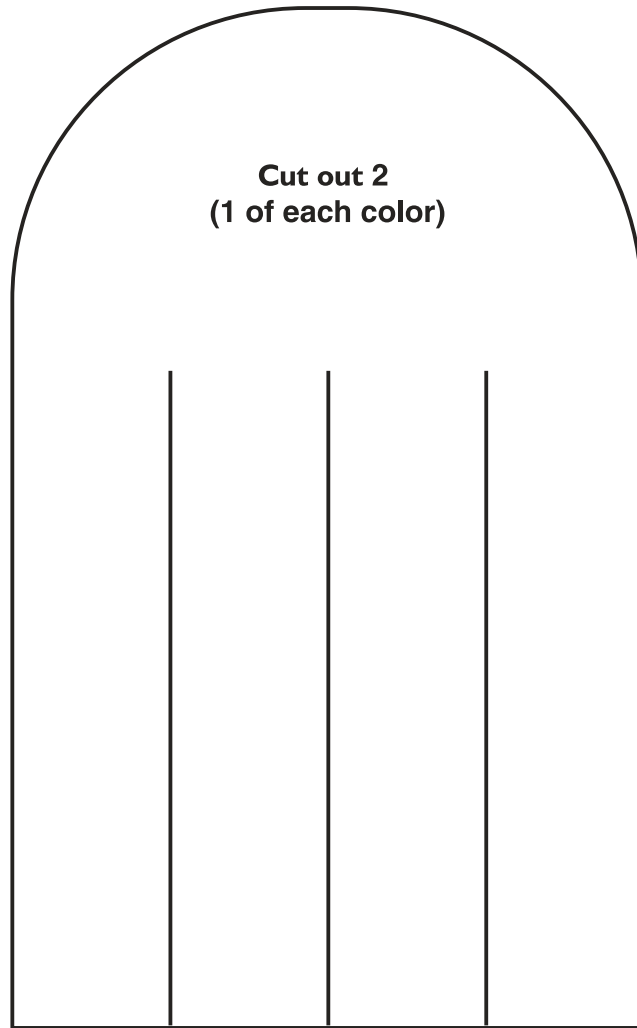

Steps:

1. Using pattern, Divine Valentine Template (found on page 2), trace and cut out two different colors of Pacon® Construction Paper.
2. Start by weaving first row of one color under and over tabs of second color.
3. Square up edges of both colors of Pacon® Construction Paper.
4. Continue weaving the remainder of the tabs alternating weaving between under/over and over/under.
5. Glue under tab edges to hold in place.
